Work Tables

Mobile Point of Sales (MPOS) Tables

Mobile Point of Sales (MPOS) Tables are perfect for those busy seasons throughout the year when you need additional check-out areas. By allowing employees to remove and organize sensor tags and/or hangers, and perform other merchandising tasks, they vastly improve the speed and efficiency of the checkout process. These MPOS units are fully customizable to meet your exact needs.

MPOS-27 (Custom)

- Dimensions: 21 1/4" D x 25.2" W (47 1/2" W with drop leaves extended) x 35" - 42" height adjustable
- Space saving folding leaves – reduce footprint
- Standard finish – Black
- Options available include bins, drawers, middle & bottom shelves, two compartment organizer bin
- Ships assembled

MPOS-28

- Dimensions: 24"D x 26"W (54"W with drop leaves extended) x 35"- 42"height adjustable
- 4" casters, two with total lock brake
- Three compartment organizer bin
- Power/data cable grommet is optional. Location must be specified when ordering.
- Locking drawer
- Wire-grid bottom shelf for bag/box storage
- Standard finish – Black
- Call for custom design or finish
- Ships assembled

MPOS-28-REG

- Dimensions: 24"D x 26"W (54"W with drop leaves extended) x 35"- 42" height adjustable
- 4" casters, two with total lock brake
- Locking drawer
- Solid bottom shelf for bag/box storage
- Standard finish - Black
- Call for custom design or finish
- Ships assembled

Invest in a more productive and ERGO-nomic environment with ERGO-Smart™ adjustable-height tables!

ERGO Smart™ 27 Series

Ingenious and innovative, the ERGO-Smart™ mobile table improves productivity, increases safety and reduces repetitive strain and other workplace injuries. Patented technology allows easy adjustment of table height in one-inch increments from 35” to 42”. No tools or disassembly required. Simply pull the pin on each leg, adjust to desired height and release the pin. The 27 Series is ideal for folding, recovery, signing, pricing, and other on-floor tasks. Our most popular configurations are shown on the following pages or call us to configure a table that best meets your requirements.

Features:

- Height adjustable 35” – 42”
- Dual folding leaves provide 46”W work surface
- Footprint is 20”D x 18”W
- 4” non-marring casters, two with brakes
- Square steel-tube construction
- Laminated work surface
- Ships assembled: Simply attach casters and drop leaves

ERGO Smart™ 27 Series Popular Configurations

IRSG’s ERGO-nomically engineered products create safer workplaces by reducing the potential of repetitive strain injuries. Other benefits include increased productivity, resulting in lower labor costs. These products also assist in establishing a proactive basis for managing the liability exposure of your company.

These models are our most popular configurations. If you don’t see a table that meets your needs, give us a call and we will assist you in configuring a table to provide the maximum benefits for your company.

Invest in a Safer and More Productive Environment
with ERGO-Smart™ Adjustable Height Tables!

ERGO Smart™
Adjustable Height Tables

Patent #US D549,494 S

Allows for easy adjustment of the table height in one-inch increments from 35” to 42” preventing your employees from “making do” with tables that work against their productivity efforts.

Combine this with other valuable features and you invest in a safer and more productive environment for your employees.

Our most popular configurations are shown on the following pages or call us to configure a table that best suits your needs.

ERGO Smart™ 28 Series

ERGO-Smart™ mobile tables help improve productivity and increase safety. Patent-pending technology allows easy adjustment of the table height in one-inch increments from 35” to 42”.

Ideal for folding, recovery, signing/pricing, and other backroom tasks. This family of mobile worktables can accommodate staging racks for 21” or 24” Hanger Management Systems in addition to a variety of other accessories. Our most popular configurations are shown on the following pages.

Features:

- Adjustable height: 35” – 42”
- Dual folding leaves provide 54” wide work surface
- 20”D x 26”W footprint
- 4” non-marring casters, two with brake
- Square steel-tube construction
- Laminated work surface
- Ships assembled – Simply install caster and drop leaves

Value Line Table

VLT-2046 | VLT-2046-ASSY

The Value Line Table is an economical sales floor processing table. This fixed height table includes drop leaves, middle shelf, and bottom shelf.

Features:

- 20"D x 18"W x 38 3/4"H
- 20"D x 46"W with drop leaves extended
- 4" Non-marring casters – 2 swivel/2 brake
- Ships either unassembled (VLT-2046) or assembled (VLT-2046-ASSY)

Value Line Table

VLT-2046-FF1

The Value Line Table is an economical sales floor processing table. This fixed height table includes drop leaves, bottom shelf, and folding board.

Features:

- 20"D x 18"W x 38 3/4"H
- 20"D x 46"W with drop leaves extended
- Folding board
- 4" Non-marring casters – 2 swivel/2 brake
- Ships assembled

Collapsible Processing Table

FPT-2448

With backrooms in retail stores getting smaller, IRSG has developed a collapsible processing table. The table can also be used on the sales floor to process merchandise during non-business hours. It saves valuable space when not in use, as it collapses to 8" deep.

Features:

- 24"D x 48"W x 36"H
- 5" Non-marring heavy duty casters – 2 swivel/2 brake
- Durable laminated work surface
- Powder coated steel frame
- Bottom grid shelf
- Ships assembled

Lightweight Table

LWT-3072

The Lightweight Table is an excellent choice if you need a long, collapsible table that is taller and more durable than the standard banquet table.

Features:

- 30"D x 72"W x 34"H
- Tubular steel frame and support legs
- Pull-out handle for easy lifting
- Heavy duty gray poly-vinyl work surface
- Weight = 42 lbs
- Ships assembled

Ultra Lightweight Table

LWT-AP-3072

The Ultra Lightweight Table is a great solution for processing merchandise, a sales floor tool for special events or as a backroom lunch table for staff, as it's height adjustable and easy to transport throughout a store.

Features:

- 30"D x 72"W x 29"/ 34"/39" Height adjustable
- Tubular steel frame and support legs
- Light duty white blow-molded plastic work surface
- Weight = 36 lbs
- Ships assembled
