

# HOSPITALITY STORAGE SOLUTIONS

## SETTING THE STANDARD

Pipp Mobile Storage Systems designs **high-quality, space saving systems** for customer-specific storage needs and offers a level of customer support that is unsurpassed in the hospitality industry. Our extensive product line allows us to tailor the systems to a variety of storage needs and we have the manufacturing capacity to handle high volume requirements.

We are dedicated to developing new products and features that help our customers **increase the efficiency** of their storage space. For example, the stainless steel inserts available in our Flat Track design reduce housekeeping concerns from drips and spills when cleaning floor debris.

# MOBILE STORAGE APPLICATIONS

## CREATE MORE SPACE!

Maximize your space by compacting storage and eliminating fixed aisles. Creating a single-aisle system **increases storage capacity by up to 80%** (over traditional configurations).

Pipp's Mobile Storage Systems are available in a variety of sizes and styles to meet all of your unique hospitality storage needs. **Lockable storage options** are also available to help you keep your top assets safe.
