

HEALTHCARE STORAGE SOLUTIONS

SETTING THE STANDARD

Pipp Mobile Storage Systems designs **high-quality, space saving systems** for customer-specific storage needs and offers a level of customer support that is unsurpassed in the healthcare industry. Our extensive product line allows us to tailor the systems to a variety of storage needs and we have the manufacturing capacity to handle high volume requirements.

We are dedicated to developing new products and features that help our customers **increase the efficiency** of their storage space. For example, the new stainless steel inserts available in our Flat Track Design reduce housekeeping concerns from drips and spills when cleaning floor debris.

MOBILE STORAGE APPLICATIONS

CREATE MORE SPACE!

Maximize your space by compacting storage and eliminating fixed aisles. Creating a single-aisle system **increases storage capacity by up to 80%** (over traditional configurations).

Pipp's Mobile Storage Systems are available in a variety of sizes and styles to meet all of your unique healthcare storage needs. **Lockable storage options** are also available to help you keep your top assets safe.
